Tourist Attraction Information

Everland Theme Park: Everland Resort opened in 1976 as the first family amusement park in Korea. Though originally called 'Yongin Jayeon Nongwon,' the company changed its name to 'Everland' to make the name more recognizable to international audiences. The park is home to over 40 heart-pounding rides and attractions. In addition to 'Safari World' featuring white tigers, tigers, lions and bears, 'Lost Valley' opened in April 2013, letting visitors get up close and personal with the wild safari's giraffes, elephants and white lions riding on unique amphibious vehicles.
